

Volunteer Role Profile: Steward

About Bath Abbey:

Bath Abbey has been a site of Christian worship in the heart of the City of Bath for over 1,000 years. It is an active Parish Church holding over 1,000 services a year. Three different church have stood on the site: a Saxon monastery, a Norman Cathedral, and the present Medieval Abbey. Edgar, the first King of all England, was crowned at the Abbey in Bath in 973. The Abbey continues to be a significant site, visited by almost 500,000 people a year.

The Abbey is entering an exciting new phase, as its Footprint project begins. Footprint aims to: repair and conserve the Abbey's nationally-significant; install eco-friendly underfloor heating using hot water from the Roman Baths; create new interpretation for people to discover more about the Abbey; and create new spaces for schools and local children to take part in learning and choral music at the Abbey.

About this role:
